OFFICE OF THE PRESIDENT,
BANGALORE DISTRICT BOARD.

No.

Bangalore, 18th January 1927.

31442

Dear Sir,

With reference to your D.O. No.L.4569 dated 15th January 1927, I write to inform you that the report on the working of the Bangalore District Conference and Exhibition is not yet ready as Mr. Niligiri G. Sanjeeviah, the Honorary Secretary who is more conversant with the accounts has not attended to these matters since the evening of the 2nd instant. The Enquiry Office had to be shifted to the District Board Office and things had to be arranged, and I had to attend to all the pending papers of the District Board. This fully occupied my time till the 12th instant. I have been busy on tour in checking accounts and taking charge of the articles etc of all the Taluk Boards as per Government Order since the 13th instant as this has to be completed by the end of this month. A copy of my tour Programme is herewith attached for your information. Every spare moment of time available on my return to Bangalore in the interval [illegible] is devoted to attend to the important and other office papers as the term of the District Board is to expire on the 31st January 1927; thus it has not been possible for me to pay my attention to the accounts etc of the Conference and Exhibition. Mr.Niligiri G. Sanjeeviah has to attend to it. If he helps me I shall be able to draft a report by the end of the month or else I shall sit at it myself after the 29th instant and submit a brief report.

2. Regarding the steps taken for the relief of the sufferers by fire accident some dramatic companies have philonthropically promised to contribute some portion of their realisations for this purpose and a sum of Rs.50/- has been

received up till now. Apart from this, I think it is necessary that we should find out some way to help the sufferers. The matter of starting a raffle for the relief of the sufferers, I think, is before Government. In my opinion it is necessary that Government should kindly consider some means of giving relief to the sufferers.

I am going to Magady now, on my return a list of Prize winners will be prepared and sent to you.

Yours sincerely,

B A Kahmon

T.K. Someswara Iyer, Esq., B.A., B.L.,
Assistant Secretary,
to Government of Mysore,
Bangalore.

Enclosure No.

Brief Preliminary report on the working of the Exhibition of Arts, Industries & Agriculture.

======

Adverting to Government Order No.Jc.8731/A & E 330-25-4 dated 25th June 1926 sanctioning the holding of an Agricultural and Industrial Exhibition owing to various reasons, the principal among them being the scarcity of drinking water, the Exhibition could nct be held earlier than December last, when the Committee at the suggestion of some of the Heads of Departments decided that it should be held during the Xmas season in the Cubbon Park. In the meantime the Residency Central Charities Committee had also decided to hold a Fete in a portion of the area selected for the Exhibition and as it was probable that these activities would clash, a meeting of the members of both Committees was at the suggestion of members of the Residency Central Charities Committee arranged on 2nd November 1926, at which it was decided that the Exhibition and Fete should be held jointly.

In purusance of that decision arrangements were commenced and the Trades Publicity Corporation Ltd., was entrusted with the work of advertising the Exhibition and for canvassing for applications for booths and space.

3. The Exhibition and Fete which was opened on the afternoon of the 20th December last by the Hon'ble Mr. S.E. Pears, the British Resident was a singular success. On the night of the 27th December 1926, a sad accident caused by fire

Messrs. Ogale Glass Works and Kirloskar foundary Works.

7 The total receipts under all heads amounted to Rs.19,957-2-4 and the expenditure incurred was Rs.13,245-8-4. For details a statement is appended. Thus, the undertaking though the first of the kind and carried out on such large proportions under non-official agency, resulted in a profit. These accounts will be placed before the Joint Committee and submitted for audit as desired by Government.

8 To help the sufferers by fire in the Exhibition, a proposal to hold a Lottery is before Government. Any estimate of the loss sustained by the fire will be but approximate and for obvious reasons, I refrain from making any observations in this connection. The Royal visits of His Highness our beloved Sovereign and His Highness the Yuvaraja, and their Highnessess the Maharanees, not only greatly encouraged them but assuaged sufferings and stimulated in the hearts of the Exhibitors and visitors from far and near a special feeling of reverence to the Royal family for their kind assurances of encouragement and sympathy.

9 A list of winners of prizes, and medals awarded is attached. Owing to accident by fire and the consequent depression in the minds of the sufferers and those connected with the Exhibition, some discretion and laxity in the grant of medals and prizes had to be used.

10 This report could not be submitted earlier partly to the delay in the receipt of bills and partly to my continuous absence from Headquarters during

the month of January last, owing to the reconstitution of the District Board which necessitated my visiting all the Taluks in the District to take charge of the assets of the Taluk Boards.

The delay could have been greatly minimised had the Secretary Mr. Niligiri G. Sanjeevayya who was associated with Mr. Alfred Hayes, Retired Superintendent of Police on the working Committee and who was conversant with all the details had attended to it. But I regret to say that as this gentleman was unable to cope with the literary work incidental to his duties. I was compelled to entrust the same to some of the co-opted members such as Messrs. S. Sreekantayya, B.A.,B.L., B.Sreenivasa Iyengar, B. Munishamappa, Dr. S.Varada Iyengar, and a few others. Mr. Niligiri G. Sanjeevayya has also to account to the Committee for the undermentioned amounts remaining with him as Secretary.

	Rs. as. p
1. Amount taken on ..... as per Receipt No. ..	15 0 0
2. -Do- " No.....	50 0 0
3. -Do- " No....	100 0 0
4. Amount of M.O. received by Secretary but not credited to accounts and now claimed by the Trades Publicity Corporation.	10 0 0
5 Value of tickets entrusted to Secretary by Amateur Dramatic Co. but not brought on account	44 0 0
Total ...	219 0 0

He has eventually absented himself from the 2nd January 1927. The action on the part of the

Secretary in such a Public concern calls for notice.

I cannot conclude this report without expressing the heartfelt thanks of the Committee and myself to the Dewan Amin-ul-Mulk Mirza Muhamed Ismail, C.B.E., C.I.E., for his extreme kindness in having frequently visited the Exhibition, and his generous advice, encouragement, support, and sympathy which largely contributed to the success of the Exhibition. The Committee acknowledge with gratitude the unstinted help rendered by the members of the Residency Central Charities Committee and in particular to Major Evans Gordon who with all his energy and influence endeavoured in every manner to make the undertaking a grand success, and also to the help rendered by all other Government Officers. The thanks of the Committee are also greatly due to the members of Council who visited the Exhibition on several occasions and encouraged us by their kind advice.

Lastly I on behalf of the Committee beg to acknowledge thehelp rendered by private gentlemen and co-opted members who generously came forward to render help whenever sought for and especially during the fire accident.

B K Richmon

President,
Exhibition Committee.

many demands on your time otherwise, and for this act of your graciousness. we the members of the Committee feel specially gratified. With these few words, I respectfully request you to kindly open the Exhibition and Fete.

Speech delivered by the President Mr.B.Abdur Rahman, B.A., at the time of distribution of Prizes on 2nd January 1927. =======

Sir,

We, the Joint Committee of the District Conference and Exhibition of Arts, Industries and Agriculture and the Xmas Fete, feel greatly honoured and humbly beg to tender our most grateful homage to His Highness the Maharaja of Mysore for graciously visiting the Exhibition on the evening of 31st December 1926. We also feel very grateful to His Highness the Yuvaraja for visiting the Exhibition and for spending over 3½ hours in the premises evincing very great interest, on the morning of the 27th. These Royal visits and messages of sympathy have given us considerable encouragement and support.

The Exhibition which is located in the spacious and beautiful enclosure of the Cubbon Park owes its origin to the initiative and enterprise of the members of the District Board of Bangalore and is the first of its kind organized by a non-official body. It is attempted as an auxiliary to the District Conference and in order to serve as an ocular demonstration of the activities of the several departments of the State and of the public, connected with the Arts, Industries and Agriculture and to give an impetus to trade and agriculture in general. Owing to seasonal conditions and other reasons, it was not possible either to hold the Conference or to organize an Exhibition earlier, as was contemplated. The

The conditions in the district improving later and other circumstances favouring us, we ventured to make a representation to the Government of His Highness the Maharaja of Mysore to permit us to hold an Exhibition on a fairly large scale and the Government were pleased to sanction our request. We take this opportunity of expressing our most grateful thanks and obligations to you, Sir, without whose sympathy, timely assistance, counsel and kindly and ready help, it would not have been possible for us to achieve any appreciable measure of success or to tide over the circumstances consequent upon the unfortunate accident in the exhibition grounds.

With feelings of great gratitude, we also acknowledge the help we have received from the Residency Central Charities Committee of the Civil and Military Station of Bangalore represented by Major Evans Gordon. It is our fervent hope and desire that a combined organization like the present will be an annual event in Bangalore and, may we say, we are endeavouring to this end.

The Trades Publicity Corporation, Bangalore, have rendered yoeman service in advertising the Exhibition, by their propaganda work and in diverse other ways during the past few months.

Exhibitors from all parts of India, including several Indian States, industrialists and agriculturists from far and near have vied with one another to achieve success and to provide object lessons to the people and have

greatly benefited by the advertisement. The Horticultural and Cattle Shows are likewise a success. Prizes for several groups in the Exhibition have been offered by ladies and gentlemen to whom our best thanks are due.

I must make special mention of the unstinted help and co-operation I have received from several persons, some of whom have been working day and night against great odds and have borne the brunt of the work without demur. But for their oneness of purpose and keenness, this non-official undertaking representing varied activities would not have been what it has been. We take this opportunity to thank the heads of the several departments of the State and others who readily helped us in our efforts and contributed towards the success of the Exhibition. We are also grateful to the International General Electric Company of New York for rendering spontaneous and gratuitous service throughout the period of the exhibition. A word of thanks is due to the authorities who assisted us in maintaining order, particularly to the Scouts whose most willing service during the fire-accident and generally during the Exhibition have made us very much indebted to them. Nor must I omit to refer to the staff of the District Board, a few of whom in particular have laboured ungrudgingly for the exhibition.

Before concluding, I desire to announce that the Committee are considering of ways and

means for helping the sufferers in the accident and in this connection they gratefully acknowledge the spontaneous assistance which has been forthcoming from all sides.

I now request you, Sir, very kindly to give away the prizes to the winners in the Exhibition.

the two halves of Bangalore, if I may so term the City and the Cantonement Sections. I doubt if anything like this result could have been achieved by either independently. I hope that the experience of this exhibition will encourage the promoters to make it an annual fixture, providing for the citizens of Bangalore both amusement and instruction. I would suggest to them to pay special attention to the entertainment side of the Show.

In an industrially backward country like ours, exhibitions can play a very large part in the development of industries, for exhibitions are the time-keepers of progress.

They record our advancement in many departments of human activity. They reah the home. They broaden and brighten the daily life of the people. While this cannot be designated as a grand exhibition, it has, I doubt not, achieved all these objects in a gratifying measure.

To Major Evans Gordon and Mr.Abdur Rahmon, and their co-adjutors, our cordial thanks are due for the great trouble which they have taken, and let me offer to them our sincere congratulations on the success, which has attended their labours. The fire added enormously to their worries and anxieties, but they have been able to surmount the difficulties created by it in a most commendable manner, and to bring the show to a triumphant termination.

I will only say, in conclusion, that it gives me the greatest pleasure to be present here. and distribute awards to the successful exhibitors and comnetitors.

Actual Receipts to the end of 21st February'27.
